RE: Request for Subpoena for Documents
In the Matter of a Petition by Excelsior Energy, Inc. ...
MPUC Docket: E-6472/GS-06-668; E-6472/M-05-1933
OAH Docket: 12-2500-17512-2

Dear Chief Judge Krause:

Enclosed please find Subpoena Request of mncoalgasplant.com in the above-entitled matter, one each for the Dept. of Commerce, MPCA, DNR and PUC.

I'm sending this via email to the applicant and all participants (there are no parties in this docket other than the applicant, as the party status of Xcel, Minnesota Power and mncoalgasplant.com was revoked). Given a prior fracas where Excelsior filed objections to a subpoena request, ask that the parties be mindful of the rules that specify that only a party served with a subpoena may object. Minn. R. 1400.7000, Subp. 3. This request was triggered by the disturbing discovery of crucial federal agency comments withheld by Dept. of Commerce and not entered into the record in this docket. The purpose of this request is to assure that other information critical to environmental review and siting necessary to this record is not being withheld.

Please let me know if you have any questions or require anything further.

Very truly yours,

Carol A. Overland
