RE: Notice of Intervention – Minnesota Environmental Rights Act (Minn. Stat. 116B.09).

IN THE MATTER OF: LS Power, d.b.a. Sunrise River Energy, Inc., the expected Application for siting, and pending Development Agreement between Chisago County (County), Lent Township (Township), North Branch Area Public Schools (School District), and LS Power (Applicant).

Dear Mr. Gilchrist and the Supervisors of Lent Township:

On behalf of Concerned River Valley Citizens, Inc. (CRVC), enclosed please find my client's Notice of Intervention, pursuant to the Minnesota Environmental Rights Act (Minnesota Statute 116B.09, Subdivision 1).

As the Notice states in detail, my client becomes a "party" to this proceeding upon the filing of this Notice with your office(s). As a party to this proceeding, my client respectfully requests (and is entitled to) all "due process" considerations including, but not limited to, timely receipt of documents, adequate time to review documents and prepare for any hearing or meeting, adequate opportunity to present their viewpoint at the hearing, etc. Also, as a party, my client expects no "ex-parte" communications between the County, Township, School District and Applicant.

Please call me at your earliest convenience to discuss this matter in further detail.

Thank you for your kind consideration.

Very truly yours,

Carol A. Overland
