I apologize for the late notice - there was a miscommunication and the meeting wasn't formally rescheduled. I'm still slogging through e-mails from last week when I was out but as far as I've seen, the new time seems to work with everyone.

The avian report was sent from Mike DeRuyter (HDR) the evening of Monday, August 22.

I will send an agenda later today. Please let me know if anyone needs a call-in number - I need to arrange those in advance.

Regards,

Suzanne
