Hi Mags,

Attached is a draft agenda, let me know if you have any additions or modifications. I'll bring some figures including a turbine/flight path map to aide in our discussion.

Hi Patrick,
that all sounds good. I'd like to add a short discussion of Legalectric's pending FOIA for BOGY. I'll see if the FOIA request is finalized and if I can share the actual FOIA document with you today. As of right now, the FOIA is not "live".
Thanks - Mags
