Sounds Wonderful!

I am teleworking today, and am having problems accessing the CoA sharepoint site, so I may not be able to take a look at them until tomorrow. If I have any questions I will contact Mags.

Thanks Mark.

Pam,

I upload several files onto your SharePoint site. Margaret (Mags) Rheude, a biologist in R3, provided the files and a Word document with her notes and rationale. She said to contact her if you have any questions (margaret_rheude@fws.gov; 612-713-3548 x2202).

Mark
