Ingrid Schwingler has shared the folder BOGY Information for USFWS with you.

Note From Ingrid:

Hi Mags,

I've set up a folder for you to download the Black Oak/Getty reports we talked about at our 1/21/14 meeting. Let me know if you have any questions or have trouble accessing ShareFile.

Thanks!
Ingrid

To access this folder, you must first activate your account and set your personal password.

ShareFile is a tool for sending, receiving, and organizing your business files online. It can be used as a password-protected area for sharing information with clients and partners, and it's an easy way to send files that are too large to e-mail.

Trouble with the above link? You can copy and paste the following URL into your web browser:
