Subject: Geronimo Black Oak Wildlife Discussion
Date: Monday, January 10, 2011 11:33:16 AM

Hello-

For our meeting tomorrow, I wanted to send you all the attached agenda, in which I have summarized the recommendations we have received to date from the USFWS and the Minnesota DNR specific to the proposed Black Oak Wind Farm. I've also compiled some figures from the site application that I think will be useful for our discussion. I look forward to seeing you all at our office tomorrow- let me know if you need directions or have any questions prior to the meeting.

Thanks!
Mike
