Hi Rich,

I have attached the latest version of the ABPP with attachments for the Black Oak/Getty project. Let me know if you have any questions.

Scott

Hi Scott,

Thanks for the update. Is there any chance I could get an electronic copy of the ABPP for these projects?

Thanks,
Rich

01/12/2011 Subject: Black Oak/Getty Eagle use survey protocol
2 04:08 PM ct

Hi Mags and Rich,

I realized that I haven't forwarded an electronic copy of the eagle use survey protocol for the Black Oak/Getty sites. I have attached the protocol and a figure showing where observation points and the transect route are located. The site has been pretty quiet until this past Tuesday when one of the eagles showed up near the nest site. Another adult was observed along the Sauk River north of I-94.

Thanks,
Scott
