Hello Suzanne,

I'm emailing to see if I can get an extra day to provide you comments on the Getty Wind Draft Site Permit and Avian and Bat Protection Plan? Due to being out at a training last week, and field work today and tomorrow I would greatly appreciate it if I could get you the Service's comments by COB this Thursday, April 5th.

Please let me know if that will work for you, and thank you for your consideration.

Sincerely,

Rich Davis
