Subject: Black Oak/Getty Avian Report -- potential meeting change

There has been some interest in moving the meeting up a day from 8/31 to 8/30. It would need to be in the afternoon. Before I reschedule it I need to check to see if Tuesday 8/30 in the afternoon would work for people. If the meeting is changed, the avian report would be sent out by the end of the day next Tuesday (8.23).

I will be out of the office next week, so please respond to both me and Jamie MacAlister (above) to let us know if the 30th would work.

Thanks,

Suzanne
