SURREBUTTAL TESTIMONY OF DAVID GIL

Q. Are you the same David Gil who filed direct and rebuttal testimony in this case?

A. Yes.

Q. What is the purpose of your surrebuttal testimony?

A. The purpose of my surrebuttal testimony is to respond to certain portions of the rebuttal testimony filed by Grant County Intervenor (“GCI”) witnesses Brianna Eisentrout Frear and Henry Frear in relation to receipt of public outreach materials.

Q. Do you sponsor any exhibits with your surrebuttal testimony?

A. Yes. I am sponsoring the following exhibit:

Ex.-Grant County Solar-Gil-4: Grant County Land Record (7016 U.S. Highway 35 and 61).

Q. Mr. and Mrs. Frear assert that they have not received any mailings associated with the Project. (Rebuttal-GCI-Frear-7-8; Direct-GCI-Frear-5). How do you respond?

A. Grant County Solar utilized Grant County land records to create a mailing list of land owners located within one-mile of the Project Site. As set forth, in Ex.-Grant County Solar-Gil-4, the property owner for 7016 US Highway 61 & 35 (parcel no. 052-00014-0000), the address included in the Frear’s testimony, is listed as Dwight L. Frear with a mailing address of 4523 Red Dog Road, Lancaster, Wisconsin 53813. Accordingly, Grant County

1 Solar mailed all Project information and materials to Mr. Dwight L. Frear at the Red Dog

2 Road address.

3 **Q. Does this conclude your prefiled surrebuttal testimony?**

4 A. Yes.
