Re: Request to Reopen Docket No. 05-CE-146

Dear Secretary Coker:

My office represents Dairyland Power Cooperative (“Dairyland”). I am writing to indicate Dairyland’s support for the request to rescind the Final Order in this docket and reopen the proceeding filed today by American Transmission Company LLC and ATC Management Inc. (collectively, “ATC”), and ITC Midwest LLC (“ITC”) (collectively with Dairyland, the “Co-Owners”).

Dairyland’s employees and representatives were not involved in the activities described in the request. Nevertheless, Dairyland agrees that the appropriate path forward is for the Commission to reconsider the docket.

As a cooperative responsible to its membership, Dairyland strives to conduct business and operations with integrity, impartiality, and accountability. Dairyland supports the efforts of the other Co-Owners to ensure that those values are reflected in the permitting for this critical project.

Sincerely,
WHEELER, VAN SICKLE & ANDERSON, S.C.
