

## NOTICE OF COMMENT PERIOD

Issued: February 9, 2024

### In the Matter of Xcel Energy's 2024-2040 Integrated Resource Plan

**PUC Docket Number:** E002/RP-24-67

**Comment Period:** Initial comment period closes June 28, 2024 at 4:30pm  
Reply comment period closes August 28, 2024 at 4:30pm  
Supplemental comment period closes September 30, 2024 at 4:30pm  
Commission hearing by February 1, 2025

*Comments received after the close of the comment period may or may not be considered by the Commission.*

*Staff requests that extension requests longer than one week be received at least 30 days prior to the comment period deadline.*

**Issue:** Should the Commission approve, reject, or modify Xcel Energy's 2024-2040 Integrated Resource Plan (IRP)?

#### Topics Open for Comment:

1. Should the Commission approve, reject, or modify Xcel Energy's 2024-2040 Integrated Resource Plan (IRP)?
2. Are Xcel Energy's forecasted energy and capacity needs reasonable?
3. Has Xcel complied with the order points from the Commission's April 15, 2022 [Order](#) in Docket E002/RP-19-368?
4. Does Xcel Energy's proposed IRP result in equitable outcomes for the Company's ratepayers, workers, and the general public?
5. What resource acquisition process(es) should Xcel use to implement its approved resource plan?
6. When should Xcel file its next IRP? What additional information should the Commission require Xcel provide as part of its next IRP?
7. Are there other issues or concerns related to this matter?

**Summary of Filing:** On February 1, 2024, Xcel Energy filed its [2024-2040 Integrated Resource Plan](#) for its Upper Midwest System. Components of Xcel’s plan include:

- Extending the use of existing nuclear plants into the 2050s.
- Continue with the planned retirement of coal facilities by 2030.
- Adding substantial new renewable resources by 2030, including 4,200 MW of wind and 400 MW of solar.
- The addition of 600 MW of battery storage by 2030.
- Adding 2,244 MW of “firm peaking” capacity by 2030.
- The integration of over 1,800 MW of additional distributed energy resources, including community solar gardens, distributed solar, energy efficiency, and demand response, by 2030.

**Extension Requests:** At its February 8, 2024 agenda meeting the Commission made a verbal decision to set a hearing deadline for the IRP of February 1, 2025. Given the timeline above, Staff requests that any extension requests longer than one week be filed at least 30 days prior to the comment period deadline as longer extensions may require a change to the Commission's deadline which will be set in a forthcoming order.

**Completeness Review:** Under Minn. R. [7843.0300, subp. 3](#) a resource plan must contain information required by [7843.0400](#). If participants believe Xcel’s filing is incomplete and the Commission should conduct a completeness review, please submit comments on completeness by [Friday, March 1, 2024](#).

**Intervention:** Minn. R. [7843.0300, subp. 7](#) and [7829.0800](#) allows interested persons to intervene to become a party to the proceeding. A petition to intervene should follow the requirements in Minn. R. [7829.0800, Subp. 2](#). Any party to the proceeding is required to answer information responses (Minn. R. [7843.0300, subp. 8](#)). It is not necessary to formally intervene to comment as a participant or member of the public. Any interested person may submit comments to the Commission. Petitions to intervene are due [June 28, 2024](#).

**Alternative Resource Plan:** Minn. R. [7843.0300, subp. 11](#) provides parties and interested persons the opportunity to file an alternative resource plan. The alternative plan must be accompanied by a narrative and quantitative discussion of why the proposed changes from the utility’s plan would be in the public interest, considering the factors listed in part [7843.0500, subpart 3](#).

**Supplemental Comment Period:** The Commission has established a supplemental comment period of 30 days after the close of the reply comment period for parties and interested persons to respond to topics raised in initial and reply comments. Responses should be limited to those already in the record and not introduce new facts or evidence.

**Information Requests (IRs):** Minn. R. [7843.0300, subp. 8](#) requires parties to the proceeding to comply with “reasonable requests for information by the commission, other parties, and other interested persons.” All information requests and responses must be filed in eDockets.

**Standard for Review:** The Commission’s review is governed by Minn. Stat. [216B.2422](#) and [Chapter 7843](#) of the Minnesota Rules. In reviewing a proposed resource plan, the Commission evaluates whether the resource options and plans can:

1. maintain or improve the adequacy and reliability of service,
2. keep the customers’ bills as low as possible, given regulatory and other constraints,
3. minimize adverse socioeconomic and environmental effects,
4. enhance the utility’s ability to respond to changes affecting its operations, and
5. limit the risk of adverse effects on customers and the utility that the utility cannot control.

**Filing Requirements:** Utilities, telecommunications carriers, official parties, and state agencies are **required** to efile documents using the Commission’s electronic filing system (eFiling). All parties, participants, and interested persons are encouraged to use eFiling at:  
<https://www.edockets.state.mn.us/EFiling>

**Public Meetings:** On February 8, 2024, the Commission made an oral decision to hold public meetings as an additional forum to gather public input on Xcel’s IRP. Xcel is required to send notification to each Minnesota customer at least 10 days before the first public meeting, and notice will also be posted in this docket.

**Submit Public Comments:** Any interested person or organization may submit public comments. All comments are treated equally in the record regardless of how they are received by the Commission. Comments may be submitted online, via email, through eDockets, or by US mail.

**Online:** <https://mn.gov/puc/get-involved/public-comments/>, and follow the instructions.

**Email:** [consumer.puc@state.mn.us](mailto:consumer.puc@state.mn.us)

**U.S. Mail:** Consumer Affairs Office  
Minnesota Public Utilities Commission  
121 7th Place East, Suite 350  
St. Paul MN 55101

**Full Case Record:** See all documents filed in this matter on the Commission’s website at: [mn.gov/puc/edockets](https://mn.gov/puc/edockets), select *Go to eDockets Project Database*, enter the year (24) and the docket number (67), and select *Search*.

**Subscribe:** To receive email notification when new documents are filed in this matter visit: <https://www.edockets.state.mn.us/EFiling> and select *Subscribe to Dockets*.
