Dear Mr. Ellison: Its been some time since we last communicated when you offered me an HR position in you organization, but I declined due to a health issue at the time. I am writing to ask if you would be willing to speak to students at Red Wing High School, as part of my effort to appreciate and acknowledge you, you leadership and accomplishments. it is my honor to send this invitation to you. While Red Wing appears to be an all-white rural community, the district is approaching 26% diversity in the community. and has diverse student population exceeding 23%. As a substitute teacher, mentor and consultant I have worked with several young men to help them re-imagine their futures, and to see the themselves differently. I am asking for some of you time without patronage or agenda because I have come to know, recognize, and appreciate your work and leadership during the past 20 years, as Minnesota's first Black mayor. I also want you to understand this is not a request simply because of your ethnicity. I am reaching out to you because of your character, integrity, intelligence, and pathways in life. I cannot offer. much in return, other than mileage, a small stipend and coffee. I envision a setting in our high school auditorium of what I characterize as a one-hour TED talk about your life, what you've learned, what you do. More importantly perhaps, I ask if you are willing to share what you think others should know in or to be strong leaders, stewards of public interest and to be successful. Please let me know if we can set up a time for a brief conversation about this request. I will be forever indebted if you could join us. Sincerely, E. Craig Morris

Good afternoon Alex-

Please give my thanks to AG Ellison for accepting our request for him to speak at our high school to our student body on the 25th. I would like to setup a zoom or google meet with you to ensure we have all the coordination details setup for this event and any requests or accommodations AG Ellison may have while here in Red Wing.

Can you let me know a time that works for you next week, so we can ensure all the needs are met for AG Ellison, you, and anyone else from your team?

Thank you again Craig for getting this started and thank you to you Alex for your work in support of AG Ellison coming to Red Wing High School in honor of Black History Month, in honor of lifting student voices, and in honor of leading with integrity.

Alex-

Yes 30 minutes would be more than enough. Let's make it 10am. Thank you. Would you like me to send a Google Link invite or would you like to initiate one?

Thank you, I appreciate it! In terms of meeting with our team, we are open between 10-11:30a on Wednesday. Would 30 min in that window work?

Hi Craig,

I imagine we can work that out! AG Ellison did have a change of schedule and is now traveling February 25. Would it be possible for him to speak on Thursday, February 27 instead?

Let me know, thanks!

Thank you. My only ask is that AG Ellison and I could find 5 minutes together before he speaks. Best!

Good afternoon Alex-

Please give my thanks to AG Ellison for accepting our request for him to speak at our high school to our student body on the 25th. I would like to setup a zoom or google meet with you to ensure we have all the coordination details setup for this event and any requests or accommodations AG Ellison may have while here in Red Wing.

Can you let me know a time that works for you next week, so we can ensure all the needs are met for AG Ellison, you, and anyone else from your team?

Thank you again Craig for getting this started and thank you to you Alex for your work in support of AG Ellison coming to Red Wing High School in honor of Black History Month, in honor of lifting student voices, and in honor of leading with integrity.
