## **Event Cancellation & Continued Commitment to Elevating Marginalized Voices**

Dear Faculty and Parents,

We regret to inform you that due to concerns over significant disruption, we have made the difficult decision to cancel the upcoming event featuring MN Attorney General Keith Ellison. Our intent in hosting this event was to recognize Black History Month and celebrate the historic achievements of Black leaders, particularly those who have broken barriers in public service.

While this specific event will not move forward, our commitment to uplifting the voices and experiences of our most marginalized students remains steadfast. Black History Month is a time to reflect, learn, and engage in meaningful dialogue, and we encourage our community to continue these important conversations in other spaces.

Educating students about racial harm is essential to help them recognize how words and actions, whether intentional or unintentional, can perpetuate discrimination and inequality. By fostering awareness and empathy, we can promote a stronger learning environment for all students.

Bob Jaszczak

Red Wing Public Schools Superintendent

## **Cancelación del evento y compromiso continuo de elevar las voces marginadas**

Estimados profesores y padres:

Lamentamos informarles que, debido a preocupaciones sobre una interrupción significativa, hemos tomado la difícil decisión de cancelar el próximo evento con el fiscal general de Minnesota, Keith Ellison. Nuestra intención al organizar este evento era reconocer el Mes de la Historia Afroamericana y celebrar los logros históricos de los líderes afroamericanos, en particular aquellos que han roto barreras en el servicio público.

Aunque este evento específico no se llevará a cabo, nuestro compromiso de elevar las voces y experiencias de nuestros estudiantes más marginados sigue siendo firme. El Mes de la Historia Negra es un momento para reflexionar, aprender y entablar un diálogo significativo, y animamos a nuestra comunidad a continuar estas importantes conversaciones en otros espacios.

Educar a los estudiantes sobre el daño racial es esencial para ayudarles a reconocer cómo las palabras y acciones, ya sean intencionales o no, pueden perpetuar la discriminación y la desigualdad. Al fomentar la conciencia y la empatía, podemos promover un entorno de aprendizaje más sólido para todos los estudiantes.

Bob Jaszczak

Superintendente de las Escuelas Públicas de Red Wing
