Good Evening-

As part of our observance of Black History Month, Minnesota Attorney General Keith Ellison has been invited to speak to students at an event at Red Wing High School. The event is being held for students on **Thursday, February 27th** and we will hold a modified schedule for the day. This event is an **optional** event for our students to attend and we will use our club time scheduling system to track who is attending and who needs an alternative location. Students will sign up on Tuesday if they plan to attend the **optional** guest speaker event.

In inviting Mr. Ellison to speak, our intention is to give students a unique learning experience and an opportunity to hear from an elected official holding one of the state's most important offices. Mr. Ellison is the first African American to be elected to a statewide office in Minnesota.

Registration for next school year will begin in March. On March 5th our 4th period teachers will show a video and slideshow to students about the registration process and what is expected of them. Then on March 7th their course selection forms will be due to be turned in with their class choices and alternate choices for the next school year. Please use the current Course Catalog in the Quick Links section of our [school website](#) for a reference to have discussions as a family about course options.

You will also find information about PSEO options located on the school website as well.

Snow week has been a fun week with the students in collaboration with both Student Council and FFA helping to plan activities and events throughout the week. Thank you to Nikki Roschen and Bill Emery, our teachers who help lead these organizations for all their work with students in planning an array of fun activities, including the pep-fest and petting zoo that students really enjoyed. School dance is tomorrow night from 8pm - 10:30pm

If you prefer to be removed from our list, please contact your student's school directly. To stop receiving all email messages distributed through our SchoolMessenger service, follow this link and confirm: [Unsubscribe](#)

Haha. Are you gonna stand up on stage and appologize for being white?

You gonna stand up on stage and try to convince all the white kids that they should be ashamed for being born white?

Are you gonna stand up on stange and condone sexual abuse against women?
Are you gonna stand up on stage and introduce this disgusting person as someone who values "respect," unity, integrity???

This is halarious.

What's it gonna be this year??

PLEASE STEP DOWN!

Absolute disgusting.

Thank you,

Brent Koehler

Josh,

You are a disgusting human being for forcing minors to hear about your personal agenda of racist hate. You have now changed this to be an Optional event which in fact will severely segregate students(which you must want). All the students in this school already have zero respect for you and your staff. This only further perpetuates you don't have the common sense to lead our young people. You have personally lied to me and my family & now you are forcing your racist & domestic abuser views onto the kids. You should be ashamed of yourself, but as I have learned your arrogance and narcissistic actions are for more important than our children.

Reed
