The Honorable Kristen Zebrowski Stavisky  
The Honorable Raymond Riley, III  
Co-Executive Directors, State Board of Elections

Dear Executive Director Zebrowski Stavisky and Executive Director Riley:

The Help America Vote Act (“HAVA”) establishes minimum standards for states to follow in several key aspects of administration of federal elections, including voting systems, provisional ballots, voter information posters on election days, first-time voters who register to vote by mail, and statewide voter registration databases. HAVA is codified at 52 U.S.C. §§ 20901 to 21145. In particular, HAVA imposes certain list maintenance obligations on states as part of the uniform statewide database requirements of Section 303(a)(2) of HAVA, 52 U.S.C. § 21083(a)(2), including coordinating the computerized statewide voter registration list (“statewide voter registration list”) with state agency records on felony status and death.

Please provide the following information regarding the State’s HAVA compliance:

- (1) Describe how the State processes new applications to register to vote for elections for federal office, as required by HAVA Section 303.
- (2) Describe the process by which New York assigns a unique identifier to each legally registered voter in New York, as required by HAVA Section 303(a)(1)(A).
- (3) Describe how the statewide voter registration list is coordinated with the databases of other state agencies, as required by HAVA Section 303(a)(1)(A). Provide the name of each state database used for coordination, and describe the procedures used for the coordination as well as how often the databases are coordinated with the statewide voter registration list.
- (4) Describe the process by which any duplicate voter registrations are identified and removed from the statewide voter registration list under HAVA Section 303(a)(2)(B)(iii). Please include an explanation of how the State determines what constitutes a duplicate voter registration record.
- (5) Describe the process by which voters who have been convicted of a felony are identified and, if applicable under state law, removed from the statewide voter registration list under HAVA Section 303(a)(2)(A)(ii)(I).

- (6) Describe the process by which deceased registrants are identified and removed from the statewide voter registration list under HAVA Section 303(a)(2)(A)(ii)(II).
- (7) Describe all technological security measures taken by the State to prevent unauthorized access to the statewide voter registration list, as required by HAVA Section 303(a)(3).
- (8) Describe the process by which voters who have moved outside the State and subsequently register to vote in another state are identified and removed from the statewide voter registration list, under HAVA Section 303(a)(4)(A).
- (9) Describe the process by which registrants who are ineligible to vote due to non-citizenship are identified and removed from the statewide voter registration list.
- (10) HAVA requires states to verify voter registration information by mandating that applicants provide certain information under HAVA Section 303(a)(5). Please provide a copy of the voter registration application(s) utilized for in-person voter registration, a link to the State's online voter registration application, and, if applicable, the voter registration application used for same-day registration.
- (11) Please describe the verification process under HAVA Section 303(a)(5) that election officials perform to verify the required information supplied by the registrant. Please describe what happens to the registration application if the information cannot be verified.
- (12) Provide a copy of the current agreement, under HAVA Section 303(a)(5)(B)(i), between the chief State election official and the State's motor vehicle authority.
- (13) Provide a copy of the current agreement between the official responsible for the State's motor vehicle authority and the Commissioner of Social Security Administration under HAVA Section 303(a)(5)(B)(ii).
- (14) Under HAVA Section 303(b), describe the State's requirements for an individual to vote if the individual registered to vote by mail and has not previously voted in an election for federal office in the State.
- (15) Please send us New York's current statewide voter registration list. Please include both active and inactive voters.

Please provide this information within 20 days of the date of this letter. The information and materials may be sent by encrypted email to [REDACTED] or via the Department's secure file-sharing system, Justice Enterprise File Sharing (JEFS).

If you have any questions, please email [REDACTED]. We very much appreciate your cooperation in our nationwide efforts to monitor HAVA compliance.

Sincerely,
