RE: ELECTRIC SERVICE AGREEMENT AMENDMENT
NEW LARGE CUSTOMER PROJECT
DOCKET NOS. E002/M-26-170 AND E002/M-26-171

Dear Ms. Bergman:

Northern States Power Company, doing business as Xcel Energy, submits the enclosed Amendment to the Electric Service Agreement in the above-named dockets. This Amendment supplements the record with a newly executed provision agreed to by the parties; no other terms or analysis are impacted by this Amendment.

The Amendment has been designated as “Highly Confidential Trade Secret” in its entirety, as it comprises competitively sensitive contractually negotiated terms, that derive independent economic value from not being generally known or readily ascertainable by others who could obtain economic value or a financial advantage from its disclosure or use. To maintain the parties’ competitiveness in contract negotiations regarding these terms, Xcel Energy and the customer have taken reasonable precautions to maintain confidentiality, and, taken together, this Amendment is Trade Secret, as defined by Minn. Stat. § 13.37, subd. 1(b). Given the sensitive nature of the Highly Confidential Trade Secret information, Xcel Energy and the customer request that this Amendment not be disclosed in this docket to any party other than government agencies.

The Amendment is marked as “NOT-PUBLIC” in entirety. Xcel Energy maintains this information as a trade secret pursuant to Minn. Rule 7829.0500, subp 3.

2. **Authors:** Echo Zone, LLC and Northern States Power Company
3. **Importance:** The Amendment comprises highly confidential trade secret information
4. **Date the Information was Prepared:** June 2026
